

GFL- Newport Recreation Centre.

Rules, policy and procedure for Phase 2 beginning Oct 1st.

- Masks MUST be worn in the building at ALL times as the Public Health order. A Doctors note of exemption must be given to the facility to enter without a mask. Users will wear mask until coach says to place helmets and mask must be placed back on when helmet is removed.
- No food or drink in the building as masks Must be worn!
- No Entering and exiting the building, Once in, Stay in!
- Players can Enter the building 40min before their time.
- U9 and Younger Must come with Gear On, dressing room time and space will be at a premium.
- U13 & Younger- 2 Parent/Guardian per player may enter the building with player and assist with equipment. Must stand at social distance marker or sit in seating close to their player's dressing room socially distanced. Parent and player Must exit through the dressing room exit door in a timely and orderly fashion. Highly recommended all in this age group come dressed, room time and space will be at a premium.
- All other age groups, 2 Parent/Guardian per player. Normally players do not need parental assistance, Players may Enter 40min before their time. Parent / Guardian may Enter a few minutes before actual ice time. Must stand at a social distance marker along the rink glass or sit in the stands, socially distanced, above your players dressing

room. Spectator and Player Must exit through the dressing room exit door of your player.

- No Exit Backflow through the main Entrance!
- No Showers.
- The warm room and wheel chair perch will remain closed at this time! Authorized personnel only.
- As Public Health Order, All persons entering have to be screened and contact listed.
- Parent / Guardian with more than 1 player on at different times and same Parent / Guardian staying, Must Exit the building with player 1 and return to be contact listed again with player 2.

NOTE- Upgraded projection to Phase 3 is November when Game Play begins. Minor associations, clubs and facilities have a huge undertaking through the month of October to comply with public orders with the volume of skaters that will be entering the building. We need teamwork to continue to move forward.

Game Play with visiting Teams!

Please Ensure a proper communication Line with visiting teams to Ensure there are NO surprises. Our Facility rules must be implemented.

Please have a plan for screening and contact listing, work together with the team coming to ensure this is an easy process Including referees.

The facility is here to help in anyway.
