

PARENT GUIDE

We're launching a online **weekly 50/50 league-wide jackpot** for the 2020-2021 season!

The fundraiser will help support all of our **Associations & Players** across mainland Nova Scotia

There will be a draw every **Tuesday night** and plan to start selling tickets on **October 13, 2020** (first draw October 20, 2020)

HOW IT WORKS

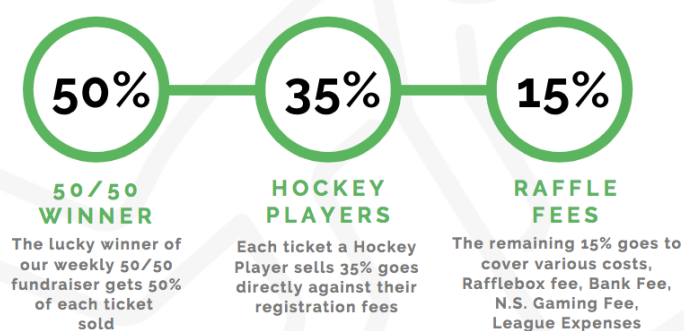

Each Player will be assigned and sent their own URL to share with family and friends (example): www.scotia5050.com/27

When someone clicks on your unique URL it will automatically select your Player name in the **"In Support of"** field

All Player sales will be tracked under the **"Top Fundraisers"** tab and money raised throughout the season will go against your Player registration fees
