

### West Hants Minor Hockey Association - Jersey Sponsorship Form

Dear Sponsor,

West Hants Minor Hockey Association is a non-profit organization dedicated to the development of youth through the sport of hockey. WHMHA strongly believes that organized amateur athletics play an integral and positive role in providing the youth of our communities the best opportunity to become well rounded members of the communities they choose to call home, both now and in the future. In support of this, WHMHA believes a strong and healthy relationship amongst our local businesses and community leaders, demonstrates to everyone the importance of what teamwork will accomplish. We are run largely by volunteers who believe in what the sport offers for amateur athletes and their community. With the support of our business partners we will continue to make every effort to keep the associated expense of participating in hockey as affordable as possible, helping more families enjoy the numerous benefits of participating in amateur athletics.

Your sponsorship will be displayed on the back of your sponsor's minor hockey jersey.
