

BOH U9 Jamboree Rules/Play Format

Following Hockey Canada and Hockey Nova Scotia standard of play for the U9 Division, all games will be half ice games.

The U9 tournament features 2 x 20 minute straight time periods. A buzzer will be set for every 120 seconds to prompt line changes.

Each team must have a valid Travel Permit.

Each team is divided into 2 roughly even groups and separate onto the home and visitor benches. The benches will be shared with the divided groups of the opposing team. Each divided group will play their opponents for the first 20 minutes.

After the first 20 minutes, the team labelled on the tournament schedule as "Away" will have their groups switch to the other side of the ice. The teams labelled "Home" will remain in position.

Before the last game each team plays, coaches/managers will be given hockey medals for each of the kids on the team to be given out in the dressing room after the game.

The event is entirely focused on having fun!

We ask that all parents are respectful and encouraging to the players and young referees participating over the weekend and hope to make this a fun and memorable experience for everyone involved!
